

Mountain Broadcasting \$1,000 ATM Game Spring 2018

The Mountain Broadcasting \$1,000 ATM Game will be played Monday through Friday starting Monday, March 26, 2018. Up to ten eligible players names will be announced each day. One player's name will be announced on the air on the top of each hour from 7am to 4pm. When a player's name is announced, that person has ten minutes and twenty-five seconds to call (406) 541-IWIN (406-541-4946) and play one of two Daily ATM Games. Once two Daily ATM Games are played, there will be no more Daily ATM Games the rest of the day. At the end of the day, registered players will receive an email with all the numbers called and all the revealed numbers will be indicated.

When an eligible player guesses the correct four-number "ATM PIN-Code", in the correct order, they will win \$1000 cash. After a \$1000 prize is awarded, a new ATM Game begins. The player for each Round will be chosen at random from the eligible players for that Daily ATM Game. Eligible players are selected at random from all persons, 18 years of age or older, who have registered online at www.mountain1025.com/atmgame, through the Mountain 102.5 FM facebook page, or via fax. A complete registration includes a full name, phone number, and valid email address. Names may be called multiple times.

When a Daily ATM Game is played, it will be played over the air and the numbers guessed will be announced, including whether they are 1) incorrect, 2) correct, but not in the right position (REVEALED) or 3) correct and in the right position (LOCKED IN). They will not be announced on air any other time, nor will our staff give numbers to callers over the phone or via email between Rounds. Once a correct ATM PIN code number is revealed it must be used in all subsequent Daily ATM Games. Guesses that do not use REVEALED or LOCKED IN PIN-Code numbers will be deemed ineligible.

Players must verify name, phone number, and valid email address, and be at least 18 years of age or older in order to play.

Winning numbers:

The winning "ATM PIN-Code" is four numbers given in the proper order. The numbers are between 1 and 60, including 1 and 60. Numbers are not repeated in an "ATM PIN-Code". A blank, printable Mountain Broadcasting ATM Player's Sheet is provided on our station's website www.mountain1025.com/atmgame to help players keep track of the numbers guessed in each round. Blank play sheets will also be available at the Mountain Broadcasting office at 725 Strand Missoula, Montana.

Once you have registered as an ATM player, daily play sheets will be emailed to you each day.

All decisions of the management of Mountain Broadcasting regarding rules and play will be final. Rules may be changed without notice and will be deemed changed when posted on the CONTEST page at Mountain1025.com. Only one prize will be awarded for each \$1,000 ATM Game. Multiple \$1,000 ATM Games will be played. The last Spring 2018 \$1,000 ATM Game will be announced on air.

Any and all taxes that may be owed by the winner of any Game are the responsibility of that winner. Winners must present a valid photo ID, Social Security number, and local address in order to claim their \$1,000 prize. Players must be 18 years of age or older to play.
